=====

The share statement and the ownership segregation on file state that this right is based on 281 shares, but the Order of the State Engineer approving a24923 states that it is based on 342 shares. Based on a value of 0.6 af/share as has been used in other change applications on Extension Irr. Co. shares, 342 shares would match the 205.2 acre-feet permitted under a24923.
